 - If you have a large breed dog(s), that are able to bend/ break the vinyl fence as others walk the neighborhood, please have proper precautions in place to help prevent this incident from occurring.
 - If you have a fence line that jolts down to allow dogs less then the typical 5 feet to jump a fence, please take proper precaution to help prevent an incident from occurring.
- Please be courteous while walking your dog and making sure you clean up after you pet if they are in your neighbors yard.

Corner Lots and Landscape Responsibility:

- Homes that are located on corner lots are responsible for maintaining landscape up to the street. The City does maintain certain areas along major roadways and highway, not in residential areas with the exception of running Street Sweeper. One of the services we provide is regular inspection of the community to ensure covenant compliance. As you are busy getting your own houses and yards in shape, we want to remind you of some of the covenants that are intended to ensure the quality, value, desirability, and attractiveness of all property within the Community.
